

C-PACE Improves Cash Flow

Get direct access to capital to finance 100% of the up-front costs of energy-efficient projects.

Fast, Flexible Financing

Commercial Property Assessed Clean Energy (C-PACE) makes financing energy-efficient building upgrades, improvements, and new construction affordable. This nonrecourse financing requires no deposit and no down payment, and it spreads payments out up to 30 years through an assessment on the property tax bill.

C-PACE Makes Good Business Sense

C-PACE delivers quick, easy, and impactful capital for businesses, nonprofits, and tax-exempt organizations.

Free Up Capital

Improve cash flow and flexibility

Lower Costs

Reduce operating expenses and energy consumption

Low Risk

Get capital without a personal guarantee

Increase Property Value

“

Our partnership with GreenPACE Capital has been fantastic!

Financing solar projects for commercial and nonprofit customers has been streamlined, with customer and project approvals within a few days. The communication with the GPC team has always been open.”
