SPRING BREAK CROWDS ARE BACK AT DAYTONA BEACH-- A POPULAR SPRING BREAK DESTINATION FOR U-C-F STUDENTS.

THE HILTON DAYTONA BEACH'S MARKETING MANAGER LIZ WITTIG SAYS THEY HAVE BEEN HAVING A LOT OF GUESTS COME TO STAY AT THEIR HOTEL THIS SPRING BREAK SEASON.

HOWEVER-- SHE SAYS THAT THIS YEAR-- THEIR ISN'T AS MANY COLLEGE STUDENTS.

{SOT}

("Right now, we're really actually seeing a lot of families come to the destination. For us, pretty much since bike week happened it was like a flip of a switch and spring breakers came in right behind it.")

WITTIG SAYS THAT THEIR HILTON HAS A SAFE CHECK-IN SYSTEM.

THE ROOMS ARE CLEAN FOR THE

("While traveling and going to the
beach sounds fun... the CDC is still
recommending postponing travel and
staying home. Instead of the beach,
maybe enjoy a relaxing day by the
pool.")

ONE UCF NURSING MAJOR
JENNET BROWN SAYS HE WILL
STILL BE SEEING HIS FAMILY THIS
SPRING BREAK-- BUT WITH SOME
CHANGES.

("I'm seeing a lot of my folks coming
down from California and then I'm
seeing some other family in Florida.
So, I'm making sure that I'm keeping
a safe distance from people and what
not and following COVID protocols.")
