A Renovation Show

www remodelit.ca

Watch Remodel It!, as the fun loving, charismatic Bruce Hopkins helps homeowners manage the trials and tribulations of living through a home renovation.

For most of us, our home is one of the biggest, yet best investments we will ever make, so why not make it your own personal oasis?! When you look around your home what do you see, need or want? Is there something you would like to change?

Remodel It! is an educational program from Calgary, Alberta that takes us through the process of renovating, while creating renosavvy viewers along the way. Watch as homeowners undergo major renovations in order to get the home of their dreams! Hey, if renovating was easy, everyone would do it.

From the simplest bathroom to a whole home makeover, watch and learn as renovators create beautiful transformations and discover 'how it is done'. Follow our entertaining cast of designers, tradespeople and homeowners as they take projects from start to finish, all the while finding themselves in amusing and challenging situations!

Remodel It! with HER

Tag along with Sue Deyell as she visits job sites and tries her hand at various types of renovation and construction jobs. There are just a couple of problems...she's afraid of power tools and is a bit of a Princess!! But she's bright, attractive, energetic and likable, and she loves to have a good laugh—at others and herself! Sue approaches each episode with the attitude "I can do that"—and with the help of the best in the trades, Sue demonstrates what the average person should be able to tackle at home, or not!! Viewers will see what happens when a project goes right, and what happens when it goes wrong! The point of the show is not to be afraid to try, but to know when to call in the professionals!!
