

Walter has left the building...

...and the next thing we knew, our familiar logo and colors were gone too.

We're standing in exciting new territory now and it's time to officially share it with you!

Recently, Walter Insurance and Real Estate became Fortify Group, adopting a new logo and fresh green & gray colors. It's part of a full year of rebranding and improving.

What that means:

- ▶ We are still your trusted partner in insurance and real estate. (We just look better!)
- ▶ The heart of the company – from ownership to values – remains the same.
- ▶ Our name – Fortify Group – reflects our desire to help customers and communities strengthen and safeguard their lives. We all take steps to fortify and protect what we care about – insurance and real estate are a key aspect of this.

Thank you for your loyalty through this project!

You are our most valuable asset.
