# CRITICAL FIT

## Train. Win. Reset.

Every athlete knows the aches of the recovery process, when your body is trying to heal itself after you pushed it to the limit. This is why more and more athletes are adding CBD to their fitness regimen.

Critical FIT was created to provide athletes with safe, potent, and consistent CBD products.

We ensure that all our products use only

premium cannabidiol from hemp growers we know and trust. Our standards are superior, and we take quality control and testing seriously.
