WE KNOW
Restaurants

We love to say "we're spice people"-
but more than that, we're food people.

Our company is driven by passionate people
who work with spices all day long, and still
love to share their own recipes and leftovers.
Over 40% of our employees have had
previous restaurant, catering, or other
food-service experience.

We know first-hand the challenges
of running your own food business.

We pride ourselves on our consistency
and convenience, and would love to try
and help find the perfect products
(and sizes) for your commercial kitchen!
