

PORT LYMPNE

HOTEL & RESERVE

Experience an unforgettable adventure at Port Lymgne Hotel & Reserve!

A visit will directly help the park to protect wildlife here in the UK which, in turn, enables the park's partner conservation charity, **The Aspinal Foundation**, to send animals back to the wild.

This award-winning wildlife attraction in Kent, devoted to the conservation of endangered species and returning them to wild protected areas, offers:

- 900 rare and endangered animals to see
- 600 acres of stunning parkland to explore
- The UK's most authentic safari experience
- 14 acres of tranquil landscaped Italian-style gardens
- Indulgent afternoon teas on the mansion's sunlit terrace
- Thrilling animal encounters, available to book as an upgrade
- Ample allocated free parking for coaches & easy access
- Savings on bookings of 15+ people
- Free admission for coach drivers and familiarisation trips for tour organisers
