About Us & Our Team

Sweet Escape

is a holiday photography service founded by **David Soong**, the same mastermind behind **Axioo Photography** - the leading wedding photography in Indonesia. SweetEscape packages start from \$300 USD per session. Each of our session lasts for 2 hours. Within the duration, clients can go to 1-2 locations depending on the distance. We recommend clients to change quick and simple outfits to get a different feel of the photos.

After 3 business days, client can download 40 photos from their personal online gallery. Photographers have to send us file on the same day, so our internal editor team can edit the photos color tone and then upload to their online gallery.
