- To meet our customers' demands for a personal and professional service with innovative solutions, including global air, sea and inland transportation, as well as specialized service such as legal documents, warehousing and others.
- To maintain a good rate of handling time and cost efficiency for all of our customers.
- To prioritize security and professionalism in all aspects of our business.
- To provide the best solutions in handling import & export sectors, especially those that are related with government regulations.

Our Vision

- At PT. Global Express Delivery , we aim to develop our position as the global market leader in transport and logistics solutions; To be all industries' first choice by providing world class and total logistics solutions through innovative and reliable service.

Who We Are

Established in Jakarta 2016, PT. Global Express Delivery is a leading company with main focus in delivering the most complete and reliable logistics services. Located in North Jakarta, our company offers a full service of logistic solutions, including custom clearance handling services, freight forwarding, inland transportation services, air & sea freight business, warehousing and legal paperwork services.

Our team consists of professional human resources, working tirelessly to ensure that all our customers' goods are efficiently managed throughout their supply chains.

Additionally, we are well equipped with fleets of vehicles and warehouse facilities which all contribute to the most reliable transportations and logistics solutions. Working closely with our clients, we use collaborative approach and high time-discipline to bring forward collective success. We care for your business and regard it as our own, with professionalism for your utmost satisfaction.

During the dynamic course of our business, we have developed both our local and international networks - which enable us to provide the most comprehensive and integrated logistics solutions to our clients.

Core Values

Learn the foundation of our business ethics below

Consolidation Agents

We cooperate with many overseas agents to arrange port to port & door to door business all around the world:

- Singapore · China · Australia · Europe · America · Turkey
- Japan · Malaysia · German · Thailand · India

Trustworthy

We believe that honesty and integrity pave the way to customers' trust. Regarding your business as our own, we foster sound decision-making and accountability with every project, regardless of scale. In every small ways of daily interaction and business operations, trust comes first.

Efficiency & Timeliness

When it comes to logistics and transportations, efficiency is key in every aspect. For us, quick and accurate response that are planned ahead combined with our expertise, will result in high efficiency both in time and cost.

Quality Service

We strive to provide every customers with the service that is the best in the industry. The measure of our quality comes from all throughout our employees who operate with strong work ethics. Our job performance is dedicated for our clients' satisfaction.

Continuous Improvement

We embrace change as a part to move forward in the industry. Constant efforts in the name of improving our methods, business strategies and more will greatly benefit all parties involved, including the company but most importantly, our customers.

Always Connected

Our networks of agents and representatives are available around the world. This solid partnership is a result of years of dedication and hard work which is important for the sake of timely shipment arrangement from and to abroad.

“Communication is key & relationships drive the industry. Our customers are important, regardless the size of their shipment”

PT. Global Express Delivery
