DU ANYAM

EMPOWER WOMEN
IMPROVE HEALTH
PROMOTE CULTURE

PT ANJAM

SITUATION

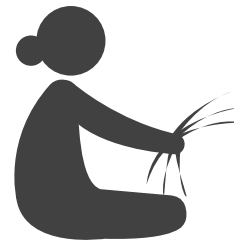

Socioeconomic
Issues Behind
Health Problem

PROBLEM 1

Women lack **year-round cash: \$16.5 average woman's monthly income**

Women lack **off-farm income option: 45% pregnant women chronically malnourished** from heavy agricultural labor while having insufficient nutrition

Women lack **decision making power in household,** from heavy agricultural labor while having insufficient nutrition

Existing traditional skills and resources are undeveloped

PROBLEM 2

Wicker weaving exist, but due to limited market access, younger generation begin to abandon it

Abundant **natural raw materials** can be harvested sustainably

Large growing market but disconnected from the weavers

Source raw materials from local community

Teach women to produce standardized and marketable products

Pay the women regularly for every products made

Conduct quality control and value-added process

Actively market the products in domestic and international market

HOW WE WORK

Produces & Distributes Wicker Crafts to

SOLUTION

Provide Platform to Introduce Further Impacts

Empower Women through Financial Security

Connect Existing Skills & Resources to the Market

MEETING and CONFERENCE

Tampil profesional di rapat tidak harus kaku atau membosankan. Saatnya mencuri perhatian dengan koleksi souvenir kantor Du'Anyam yang punya *twist* dan keunikan tersendiri.

The background features a repeating pattern of hexagons. Each hexagon is divided into three sections by lines meeting at the center. The top section contains a stylized snowflake or starburst pattern. The bottom-left section contains a woven or basketweave pattern. The bottom-right section contains a pattern of vertical and horizontal lines, resembling a grid or a series of small squares.
