<h2>Benefits of Custom Ordering Your Vehicle</h2>

<P>When you custom orders a new Buick or GMC vehicle, all the hard work is done for you. You get to save time and effort looking through the new vehicle to see if one vehicle matches most of your needs. By doing a custom order, you are setting the terms of how you want your vehicle. You can select from various options, including interior upholstery, exterior color, and convenience options.</p>

<P> You get a vehicle made just for you by doing this. So, the next time you head out on your daily drive, you can feel ride at home with a personalized driving experience. Plus, once you have completed the online order process, all that's left is waiting for your new unique vehicle to arrive.</p>

<h2>Custom Order Process</h2>

<P>On our web portal, go ahead and fill out the form with your contact information and the make and model of your vehicle. In addition, we ask you to fill in the model trim and exterior color of the vehicle. You can use the additional information tab to include interior options, technology features, and additional packages you would like on the vehicle.</p>

<P>After submitting the order, a team member will reach out to go over the next steps in the process, including discussing finance options. Once there is an agreement, we'll give you a timetable on when and where the vehicle will arrive.</p>
