PARSIPPANY, N.J. (November 19, 2020) – Just in time for Black Friday and the holiday travel season, Wyndham Hotels & Resorts—the world’s largest hotel franchising company with approximately 9,000 hotels across 90 countries—is announcing a new week-long Mobile App Flash Sale, offering special savings of 25 percent off at thousands of hotels across the U.S and Canada.

Starting November 24, 2020 through December 1, 2020, travelers yearning for a new beachside remote work location, adventurous road trip, scenic national park visit or simply a much-needed change of scenery, can save 25 percent off the best available rate at participating hotels when they book through Wyndham’s all-new mobile app. The discount, which is among Wyndham’s richest of the year, is combinable with other offers, including the Company’s current “Stay Twice, Get a Free Night” promotion, in which Wyndham Rewards® members can earn 7,500 bonus points after completing two qualified stays.

“We’re thrilled to offer travelers another opportunity to save this holiday season as we all look for safe ways to get away, recharge and enjoy a bit of relaxation,” said Sheila Schottland, vice president, brand marketing, Wyndham Hotels & Resorts. “With elevated health and safety protocols, plus an innovative mobile app that offers streamlined, low-contact features like mobile check-in and checkout, guests can feel confident knowing that their health and safety continue to come first.”

To take advantage of Wyndham’s latest flash sale, deal-seekers must first download the Wyndham Hotels & Resorts’ mobile app—available in the [Apple App](#) and [Google Play](#) stores—and then tap the Mobile App Flash Sale offer on the app’s home screen. Membership in Wyndham Rewards, which is free to join, is required for the offer, and non-members can quickly enroll as part of the booking process. A two-night minimum stay is required and stays must be completed by January 18, 2021. Bookings may be cancelled free of penalty if done 72-hours before a stay.
