# LeEco Gift Guide

The spring and summer giving season is upon us and you can be sure to delight mom, dad, a proud new graduate or the newlyweds with the only smartphones and smart TVs uniquely designed to put content at the heart of their experience. All LeEco products are beautifully designed and outfitted with premium specs to provide them with amazing entertainment experiences, whether they're hanging out on the couch or on the go... and they are all priced within reach.

## BECAUSE MOM HAS A HEART OF GOLD

This Mother's Day, surprise her with the gold **Le S3**. A brilliant fusion of beauty and function, the **Le S3** wields the power of a Qualcomm® Snapdragon™ 652 processor and X8 LTE connectivity to deliver an unbeatable streaming entertainment experience anywhere, anytime. With tons of choices from cooking to late night shows and loads of movies, she'll have endless entertainment options at her fingertips.

Pop some popcorn and cozy up with mom on the couch to watch "Mother's Day" or her favorite movie with a 3-month **DIRECTV NOW** membership, which comes with every LeEco smartphone and TV. Simply swipe from the **Le S3** to your **LeEco Super4 X43 Pro** and get transported into 4K Ultra HD entertainment with cinematic, enveloping Dolby® Digital Plus™ sound.
