Objective

I hope that one day I will be able to pursue one of the majors I am most passionate about and make Egypt proud with the accomplishments I am hoping to achieve in any field I pursue.

Academic History

- Dar ELhoda Language School
 - September 2007 - 2010
 - Kindergarten/Middle school Student
- Egyptian Language School in Oman
 - September 2010 - 2016
 - Primary-school Student
- Future Language School
 - 2016 - 2018
 - Middle-school Student
- Alexandria STEM school
 - September 2018 - Present
 - High-school Student
 - Un-weighted GPA: 3.68
 - Weighted GPA: 3.91

Work History

- Call Centre. 2018 (Summer Vacation)

I used to have a job as a call-center with a company called the future.

- Merch store. 2019 (Summer Vacation)

I used to work with a Facebook page that delivered merch and I was the delivery man.

Extra Curriculum Activities

- Sea Team, 2019 - 2020
 - Currently a head coach at the sea team which is an English club since I was deemed one of the special English speakers in my community.
- Future club , 2019
 - Currently a coach at the future club which is a club made for presentations and it had a knowledge Cafe.
- Ted-ed Club, 2018-2020
 - Used to be a speaker in Ted-ed and did a Ted-talk in the E-just.
- Co-stem, 2018
 - Used to be an HR in Co-stem which is an activity made as an introduction for new stem students.
- WFW, 2019
 - Used to be a PR in WFW (Wait For Wink) which is an activity made to spread the idea of STEM learning all over Egypt.
- Polyphony Lit, 2020

- I am currently a first/second reader at a website that posts articles, stories and poems.
