?How you feel mentally. Although this may not directly correlate to fat loss, the majority of the time, if you feel better mentally, whether you've lost body fat or not 1 week, this is still a big win. Often I find new clients come to me a bit of a mess. But once they start prioritising their health, even if they haven't lost as much weight as they initially wanted, their mindset is completely different and shifts. [.](#)
