

## Time for our favorite email of the year...

Just kidding. Nobody likes asking for money. And yet here we are. So, please bear with us, and just know we had on a David Rose grimace for the duration of creating this email.

Without further ado...

### We can't do it alone

Putting together an event like the [Small Giants Community Summit](#) takes a village. Our team is working tirelessly and enthusiastically from now until May to create the best experience possible for the Community, but we can't do it alone. Sponsors help determine what we're able to offer within the Summit experience, and bring life to our vision. Without sponsors, there'd be no stage, no stories, and, maybe worst of all, no oatmeal + yogurt parfaits for breakfast.

### Consider becoming a sponsor, and think of the impact!

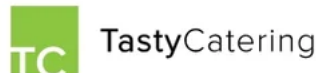

- We'll share your organization's story and the impact you're having on the world.
- You can [choose](#) what element of the Summit your money goes towards (experiences, learning, cocktails, and conversations). And if none of these options speak to you, we can collaborate to ensure your sponsorship feels meaningful.
- You'll make the Small Giants team very happy!! (Just look at those smiles!)

Phew! Thank you for sticking with us as we awkwardly ask you for money. We hope that some of you will be able to help us make the 2023 Summit the best one yet. Any amount you're able to offer is immensely helpful, and we promise to make every cent of your sponsorship count!
