Subject: Lucas Pasztor

To whom this may concern;

I hired Lucas Pasztor in 2019 to fulfill a part time sales clerk position at one of my stores in Ste.Rose - Laval.

I conducted the interview personally, and once he passed the initial back check, I trained him for a week at my store in Chomedey - Laval.

Lucas Pasztor has surpassed my expectations.

He has offered to assist other paint stores that was missing staff due to the corona virus situation.

He has taken it upon himself to assume the senior position of sales clerk to manage our Ste.Rose store. We lost out manager, and Lucas has been operating the store with minimal supervision.

I find Lucas Pasztor to be valued member of my team. He is reliable – trust worthy and honest.

Respectfully;

Alex Dorogi
