The design of the kilts relies on rigid quality control standards with high-level materials and excruciating attention to every detail. The kilts offer a range of looks because you can design your kilt according to varying color options, and you can adjust the style by removing the cargo pockets on some styles and ordering different fastening systems on others. The best thing to do is think about your life, consider the work and activities you enjoy, and order. But there's one important thing you need to know about ordering.

## Don't Use Your Pant Size When Ordering

Well, don't use it unless you're ordering pants, but OZKILTS sells kilts, remember? OZKILTS created a special sizing guide that explains how to figure out your kilt size,

and you can find it on the website, along with more information on the kilts, photos, and information on how to order. There's even a blog about how to care for your kilts and more! OZKILTS stops at nothing when it comes to customer service, except buffets.
