

## I Scream for Ice Cream!

By: Seemani Dash

This year's Ice Cream Social was a huge success with many SEA students gathering around buckets of sugary goodness and having a blast. It marked the start of a great school year as this first activity was met with an amazing turnout. Students from all grades took the Friday to relax and spend time with friends, as well as meet new people in the academy. Interactions between our upperclassmen and lowerclassmen allowed plenty of fun within the rooms, and many different games played out to hilarious outcomes. The event was met with plenty of enthusiasm (because what could possibly go wrong with ice cream?) and was overall a great activity. Be sure to attend next year's Ice Cream Social!
