Nem szabad feladni, ha kudarcok jönnek. A kudarc kell, általa sok minden kiderül. Egyrészt megerősít, és arra ösztönöz, hogy még jobban nekiveselkedjen, fejlődjön, tanuljon, újra felálljon az ember, valamint megtanítt a dolgokat átértékelni. Nekem is sokszor kellett felállnom, persze nem mondom, hogy nem lett volna jobb, ha mindig sikerek érnek, de biztos alázatosabban, árnyaltabban látom az életet általuk, és azt is látom, hogy sok út létezik, ami a cél felé visz.
