

Skej Digital Short #2 (10 sec.)

Carl Hatch

EXT. RESTAURANT - NIGHT

CANDACE (22) and TIM (22) face each other and hold hands after finishing a nice dinner date.

TIM

So, when can I see you again?

Candace bites her hip.

CANDACE

How about... Thursday night?
There's this new rooftop bar that's
supposed to be awesome.

Tim rolls up his shirtsleeve and it reveals a schedule in ink across his palm.

TIM

Thursday night, I can do that.

He takes out a pen and writes. Candace frowns.

CANDACE

Did you not wash your hands in the
bathroom?

Tim shrugs and looks down at the ground.

CANDACE

Ugh, gross.

She walks away. Tim crosses the date out.
