

## **TOUCH OF GLAMOUR**

Add a touch of glamour to the shades of grey, whites or blacks by adopting a few tips below:

### **1. Pearls or Statement Necklace:**

The easiest and classiest way to bring about a touch of elegance is to add a set of pearls to that LBD or any black formals that you may own. If you're looking to be a little dramatic and out there then try on a beautiful, simple statement necklaces, they'll go a long way when you're presenting yourself.

## 2. Hairdos:

Experiment with your hair and add a feather to your style cap. A few of the hairstyles you could try are depicted in the picture. Its just a matter of a click on youtube for the procedure and you're all set to impress with your gorgeous hair. A hard day at work, then instead of a normal bun, adopt one of the gorgeous twists to the normal bun and rock the day!

### **3. BOOT IT UP:**

Literally turn heads when you walk into the room, miss high and mighty. Take your shoes to a different level, add a touch of heel or furthermore let them be the pop of color to your ensemble and exude confidence at work. Try different colors, shades, styles and wait for the flood of compliments to follow.

#### 4. **BAG THAT BOOTY:**

Well, there's nothing to explain or go on about here. Any and every girl loves and knows her bag. Add power and do justice to your outfit by pairing it with a statement and droolworthy bag. Shades of tan, black, white and if you're bold enough look for tones of orange, mustard, blue and even pink to carry off. Remember, the bigger the better.

##### 5. COVER IT UP IN STYLE:

Last but not the least; a blazer brings out your power suit like no other. The picture shows one of the best examples of a blazer being recycled for various occasions. So what are you waiting for, a blazer is a must for the wardrobe and also stops from giving you the chills, an added advantage!
