

If your district and/or building have configured notifications so that you can subscribe to them (i.e., they haven't been made required or disabled), you can navigate to the **Subscriptions** screen to subscribe to available notifications as you wish. To access the screen below in StudentInformation, click  at the top of any screen, and then click **Subscriptions**.

The screenshot shows the 'Subscriptions' page in ProgressBook. The page header includes the ProgressBook logo, a menu icon, and user information: 'HIGH SCHOOL 2018-2019'. The breadcrumb trail is 'StudentInformation > My Account > Notifications > Subscription List'. There are search and navigation fields: '(Find Students) [Q]' and '(Go To) [Q]'. The main content area is a table with columns: 'Email', 'Config', 'Name', 'Description', and 'Memberships'. The table lists several notification types: 'Custody Alert', 'Discipline Incident', 'Discipline Referral', 'Medical Alert', and 'Quiz Submitted'. Each row has an 'Unsubscribe' or 'Subscribe' button. Annotations explain that unclickable play/pause buttons indicate required notifications, and unclickable 'Unsubscribe' buttons also indicate required notifications. A 'Subscribe' button is highlighted with a callout: 'Click to subscribe to a notification'. At the bottom, a filter menu is shown with options: 'Add filter', 'Edit filter', and 'View scheduled notification(s)'. A footer note states: '*Delivered notifications will be available for 30 days.' and a copyright notice reads: 'Copyright © 1997-2018 Software Answers, Inc.'

	Email	Config	Name	Description	Memberships
Unsubscribe			Custody Alert	Sent when a Custody Alert is created or updated	
Subscribe			Discipline Incident	Sent when a Discipline Incident is created	
Unsubscribe			Discipline Referral	Sent when a Discipline Referral is created
