

HARNESS THE POWER OF PARTNERSHIP

Partnering with local nonprofit organizations is always a win for the community, but it can also be a win for your business' bottom line. Enter Business United – a unique model for bringing businesses together to better Central Florida.

Through Business United, Heart of Florida United Way empowers businesses and organizations of all sizes to support our community while simultaneously meeting their corporate social responsibility goals. Business United helps business leaders accomplish this through:

- Personalized volunteer opportunities
- Customized employee engagement experiences
- Individualized support services for employees

Let's get to work.

Join Business United and harness the power of partnership. Sign up today to get started.
