

# UNITED STARTS WITH YOU!

## LIVE UNITED FOR CENTRAL FLORIDA

*Jeff Hayward  
President & CEO  
Heart of Florida United Way*

At Heart of Florida United Way, we are believers in a better tomorrow. We are advocates for those in need and connectors of those who want to help. We LIVE UNITED with our neighbors and partners to make the biggest possible difference in Central Florida.

That's where YOU come in.

Join us by standing up and speaking out so that every person in Central Florida can achieve financial stability, lead a healthy life, and access an education. Join us so we can show up for our neighbors when they need us with the resources they need to thrive.

Ready to help? Here's what you can do:

**Volunteer:** Roll up your sleeves and volunteer alongside Heart of Florida United Way to respond to our community's most pressing needs. We have a variety of volunteer opportunities available, including specialized or skilled volunteering and family-friendly volunteering experiences.

**Donate:** When you make a charitable gift, you're not just giving money; you're giving hope and a lifeline to those who need it most. No matter what you donate today, your investment will make a difference. Every dollar counts. Every life matters.

Are you ready to take a stand – to LIVE UNITED?
