MEMBER MAIL: HOT OFF THE PRESS

Members can experience a new culinary adventure
before it opens to the public!

Dear Vargas Family,

As a valued Member, we want you to be among the first to know about a new Family Culinary Adventure coming to *Walt Disney World*® Resort, and experience the adventure before it's available to the general public. Try your hand at a culinary craft with your family in a catering kitchen at *Disney's Contemporary* Resort during this hands-on experience.

As the doors to the kitchen are opened:

- Don a chef's hat and apron as you become a chef alongside an award winning culinary team.
- Families will prepare a portion of the meal from scratch with celebrated Disney Chefs, while learning a few tricks of the trade from the chefs who call that kitchen home.
- Younger chefs (ages 9-12) will have a unique cooking experience at their own supervised station, where they will contribute to the evening's meal.
- Dine with your fellow chefs right in the kitchen!

Member Dates: June 29 & June 30
