

## *Shadows*

I see the shadows on the wall  
They look a lot like you  
But that's what ghosts are supposed to do  
Oh I saw your shadow on the wall

I know you need me, but do you want me  
I know you feel something when you touch me  
But baby do you love me?  
Do you love me?

I see the look behind your eyes  
It looks a lot like death  
But I can't see that far ahead  
So I pretend I don't see it

I know you need me, but do you want me  
I know you feel something when you touch me  
But baby do you love me?  
Do you love me?

And I can't, relapse, into your, your bed  
And I can't, go back, into your, your hands

I know you need me, but do you want me  
I know you feel something when you touch me  
But baby do you love me?  
Do you love me?
