

NOFI FIRMAN

WRITER, EDITOR

My passion for stories can be traced back to my childhood. I could easily drown in crime solving mysteries as well as princess fairy tale. Through my writings, I want to make this world a better place. Such a cliché but it's true. If I can only change one person's life to be better, I'll gladly take it. Outside my work life, I like to experience new things, meeting new people, explore new places, & taste new cuisine.
