About Us:

By Leah Collmer

BauBau Photo Wire is an international photo wire service, based in Jerusalem, that provides full coverage of Israel and the Palestinian Authority, as well as other relevant and timely news photos from around the globe. Established by photographers, BauBau's mission is to be at the forefront of every news story, transmitting critical images and information in real time. Always abreast of current events, BauBau is the resource for all the latest pictures concerning news, editorials, and features. Dedicated to excellence, BauBau provides the world's most poignant and distinct images on line 24 hours a day, seven days a week.

The photojournalist is a lidless eye, bringing the reality of the world to the forefront of our lives. BauBau invests in the value of the photographer and the images he brings to the world. In a competitive and relentless market BauBau offers a primary and vital platform on which photojournalists feature their photographs and clients have instant access for immediate publication.

BauBau Photo Wire Service provides the best visual reportage from all over the world. BauBau's alliance with its photographers is a testament to their skills and courage. Our photographers' varied perspectives furnish a comprehensive global vision. BauBau is apolitical, transcending religion, race and ideology. TIME, NEWSWEEK, STERN, THE NEW YORK TIMES, THE ASSOCIATED PRESS, THE WASHINGTON POST, THE SAN FRANCISCO CHRONICLE, FOCUS and PARIS MATCH have published BauBau's images throughout the world.
