FRUIT FAVORITES

Check out these fun fruit-based products that feature a variety of fruit ingredients!

MANGOSTEEN

An antioxidant concentration, mangosteen is known for its anti-inflammatory benefits, as well as its ability to treat skin conditions like eczema. While it prevents free radical damage, this ingredient also promotes microcirculation to improve vitality and radiance within the skin. Try **Mangosteen Gel Moisturizer** by Éminence Organic Skin Care. eminenceorganics.com

NEROLI

Neroli's regenerative qualities are perfect for healing acne scars and age spots. With its redness relieving and anti-inflammatory properties, this ingredient soothes angry, irritated skin. Try **Neroli Repair** by Herbal Skin Solutions. herbalskinsolutions.com

STRAWBERRY

Rich in vitamin C, strawberry is a perfect ingredient for combatting oily skin. Its ability to nourish and revitalize skin is effective for dispelling excess sebum and lightening blemishes. Try **Strawberry Cleanser** by Saian Natural Clinical Skin Care. saian.net
