

## FUTURISTIC FIT-OUT FOR ROCKETMAKERS

4 Oct 2018

**Rocketmakers** moved into Manvers Street in June and their new workspace, created by Bath-based office design and build company **Interaction**, features the team's very own rocket! See it for yourself thanks to a [virtual tour \(http://www.govirtually.co.uk/3d-model/rocketmakers-manvers-street/fullscreen/\)](http://www.govirtually.co.uk/3d-model/rocketmakers-manvers-street/fullscreen/), created by fast-growing firm Go Virtually.

Founded in 2004, Rocketmakers have seen unprecedented growth in the past decade. In 2018 alone, the software developers have received A Queen's Award for Enterprise, a Creative Bath Award for Innovation, and The Bath Life Platinum Award. With this in mind, the team needed a space that would meet their growing reputation and needs – in terms of space-efficiency, agility, and attracting new recruits and partners.

### Expansion to new office space

The Rocketmakers team found their new home at the refurbished 20 Manvers Street, where Interaction had previously created a new workplace for fellow tenants Wild & Wolf. The office design and build firm were therefore a natural choice when it came to Rocketmakers' new space; after six weeks on site,
