Abide Financial have become the first tenants to move into Bristol's prolific "The Programme", located on All Saints Street.

One of Bristol city centre's landmark buildings, The Programme mixes business, media, art and innovation – across 180,000 sq ft of sympathetically modernised workspaces.

Designed by Bath-based design and build firm Interaction, features in Abide's 8,000 sq ft 5th floor space include quirky LED lights, railway carriage meeting booths, a games area, and fun tiered seating (just to name a few!) A workplace design that places people at the centre, it will help to facilitate creativity, innovation and productivity – factors vital for thriving modern businesses.
