KRITIKA JUNEJA

Architect

Hello,
I am an Indian Architect, Architecture journalist, and Founder of Arch Valor with an initiative of bridging the gap between creator and the creations, thus uplifting art, architecture, and critics.
My story begun as a Yaatri"- a traveller who is walking on some untroden paths, challenging myself every day by asking why.
Yes, i have the courage to ask myself Why!

"Do it with passion or not at all."
