

WINTER ISLAND ESCAPE
Hilton Head & Amelia Island
Booking Deadline Just 2 Weeks Away!

Greetings!

This winter chill has us dreaming of a warm getaway. When we first announced our upcoming trip to Hilton Head and Amelia Island, it seemed like it would never come. But now, believe it or not, it is just a few weeks away and this trip will be the perfect way to chase away the winter blues!

Did you know that Hilton Head is an easy drive, located just past Charleston? And Amelia Island is only a bit further down the road, a little past Savannah! Sit back, relax and be transported to another world of sun and surf!

Warm up with us down south as we visit two of the most famous resort destinations on the east coast! Let us whisk you away to the islands - Amelia Island and Hilton Head Island - both ideal winter escapes known for relaxed resorts, colonial villages, stunning sunsets, ocean air and miles of pristine, uncrowded beaches. We'll even make a stop in historic Savannah!

Enjoy three nights at your beach-front hotel in Amelia Island and two nights on Hilton Head where you'll relax at a resort style hotel nestled among tropical trees and lagoons, only a few minutes from the beach.

Both islands boast ideal weather in March, with typical temperatures in the 70's, just right for a winter getaway!

Start your escape to the sun with a horse-drawn carriage tour of the seaport village of Fernandina Beach. Here, you'll find turn-of-the-century Victorian houses, as well as charming stores, Florida's oldest saloon and plenty of great restaurants.

Take to the water on a leisurely cruise to explore the Amelia River and the many estuaries where you can see roseate spoonbills, herons and egrets chowing down on the fish and crabs that live in the grasses. You'll cruise by Fernandina's shrimp boats, historic Old Towne and Ft. Clinch to the shores of the private Cumberland Island where you just may catch a glimpse of the wild horses that roam there.

Step back into another era along the streets of beautiful Savannah otherwise known as "The Belle of the South." Meander through the cobblestoned squares, manicured parks, and antebellum architecture and sit beneath the giant oak trees and picturesque Spanish moss in this magical and charming Southern city.

The trip's grand finale is a stay at Hilton Head, located off the southern tip of South Carolina. Discover why, for the third year in a row, Hilton Head Island was voted the "[#1 Island in the U.S.](#)" by Condé Nast Traveler Magazine. The island is full of natural wonders, including the Coastal Discovery Museum and the Pinckney Island National Wildlife Refuge, not to mention 12 miles of sandy beaches.

Find yourself in a different world as you take a guided marine tour of the island's many deep, mysterious forests, secluded lakes, and marshes teeming with wildlife. You may have the chance to see dolphins frolicking in the water, sharks feeding, turtles slowly swimming, and birds hiding in the mangroves.

Top it all off with a gorgeous Carolina sunset aboard a sunset dinner cruise on the intracoastal waterways.

Fall in love with the down-home ease of these Southern barrier islands during this brand new itinerary which includes two of the most popular and award-

winning vacation destinations on the East Coast. We are thrilled to bring you this new trip that is sure to chase away the winter blues!
