

Consumer Facing Concierge Agent Landing Page Copy

Headline:

The right real estate agents

Copy:

Get a simplified home buying experience with our team of expert real estate agents. We specialize in providing excellent customer care to guide you toward the house you'll want to call home. When you work with Owners.com, you can expect:

- A team of agents that work for you, not for commission
- Access to our network of real estate professionals that can assist with everything from mortgage to closing
- A features-based home search tool that understands your wants and needs for your new home
- Easy communication with your agent when you have a question or 'favorite' a property, so they can quickly set up a tour
