

# WE DELIVER ON OUR PROMISE!

IF YOU GIVE MORE, WE DO MORE.

#BSU4LIFE  
#BOWIEBOLD

{Salutation}, it's your time to step up to help BSU students.

When you join your Bulldog family to transform students' lives, your generosity fuels the #BowieBOLD promise: *The more you give, the more we do to empower every student who dreams big and works hard at BSU.*

**Proof we deliver on that promise is in the lives of our alumni — their Bowie State education prepared them for great things.** Your gift is needed now to provide the same BSU experience to current students so they too have opportunity to develop their gifts and impact the future.

**Please give today — bold Bulldog generosity has never been more crucial.** More than 5,100 Bowie State students count on help from donors to access the affordable academic excellence that turns hope into future alumni success stories.

With your support, BSU students will continue to discover their strengths, emerge as leaders and build bright futures.

**Once a Bulldog, always a Bulldog!**

## PROOF OF THE PROMISE

As psychologist and founder of The Love More Movement, Dr. Bruce Purnell, '94, was well-prepared at Bowie State for his life's work promoting universal healing of communities devastated by historic, systemic and continuous trauma. Thanks to donor support, he found his calling at BSU.

**Bowie State is family ...  
The best days of my life were there."**

Dr. Danielle C. Ompad, '96, Associate Professor of Epidemiology at NYU School of Global Public Health, knew she wanted to be an epidemiologist when she was 12. Today the skills learned from her Bowie State family — excellence, integrity, innovation and compassion — are essential to her work with infectious diseases. With support from donors, Dr. Ompad was able to realize her dream. She now helps protect families in the age of COVID-19.

**Bowie State is one of the best decisions I've ever made."**

# BSU ALUMNI PROVE THE POWER OF **BOLD GIVING**

## **Dr. Sade Dunn, '13 — Ready to Navigate Mental Health Challenges in Turbulent Times**

Dr. Sade Dunn, '13, chose Bowie State for school counseling, but quickly realized she was meant to make her impact on a wider scale. BSU's Mental Health Counseling program proved the right fit.

**Because donors provided needed scholarship and academic program support, Dr. Dunn was prepared by her time at Bowie State to help others navigate the trauma caused by the COVID-19 pandemic and response.**

"We've been able to support people struggling with depression and grief, worried about jobs, parents working and trying to homeschool. It's new for everybody. We've been encouraging them to know this is not going to last forever."

**By making a bold gift to BSU today, you ensure current students are prepared to lead. It's easy to give now at:**

Amazing professors were so nurturing and helpful throughout the program. I remember feeling so encouraged about everything, whether it was taking comp exams while I was very pregnant or studying for board exams. Professors got me in touch with a BSU alum to help and I passed my boards the first time I took them.

**I love Bowie State —  
my heart is BSU."**
