

COMPANY

PROFILE

History *Vision* *Products* *Brands* *Projects*

Established in 1995, Elegant Trading LLC is a Dubai-based leading supplier of premium flooring materials, natural stone, sanitary solutions, and lighting products in the construction and development industry. With nearly three decades of experience, the company has built strong partnerships with global manufacturers and leading regional brands such as RAK Ceramics and Porcellan, enabling us to deliver high-quality materials and customized solutions for residential, commercial, and large-scale projects.

In addition to its extensive product range, Elegant Trading LLC is supported by advanced marble processing infrastructure, enabling precision cutting, customization, and finishing solutions to meet the specifications of complex projects. With a strong international sourcing from Spain, Greece, UK, Italy, Belgium, Brazil, Singapore, Malaysia, Thailand, Vietnam, Taiwan, Turkey, Egypt, Oman, and India, we provide dependable service to manufacturers, developers, contractors, traders, exporters, architects, and designers in creating spaces that stand the test of time.

HISTORY

SHOWROOM

VISION

To become a leading supplier of premium flooring, stone, sanitary, and lighting solutions in the region, recognized for quality, innovation, and global sourcing excellence.

&

To deliver high-quality materials and customized solutions that empower architects, developers, and homeowners to create exceptional spaces. We achieve this by:

- Partnering with trusted global manufacturers
- Maintaining strict quality standards
- Providing reliable supply for projects of all sizes
- Offering innovative and elegant material solutions

VINYL FLOORING

Our vinyl flooring solutions are designed to deliver durability, hygiene, and comfort in high-traffic environments. These surfaces are easy to maintain, slip-resistant, and ideal for spaces that require strict cleanliness standards. We primarily focus on supplying vinyl flooring for hospitals, schools, and kindergartens, where safety, functionality, and long-term performance are essential.

SANITARY SOLUTIONS

We offer a comprehensive range of modern sanitary fixtures and fittings that combine functionality, durability, and elegant design. Our sanitary solutions are carefully selected to complement contemporary bathrooms while ensuring reliability and ease of use, making them suitable for residential, commercial, and institutional projects.

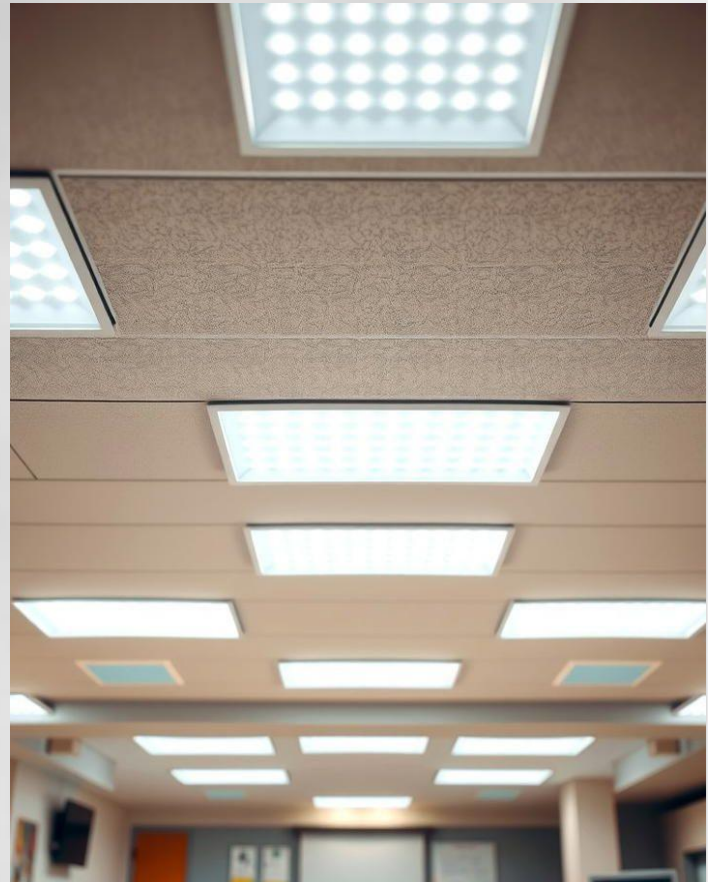

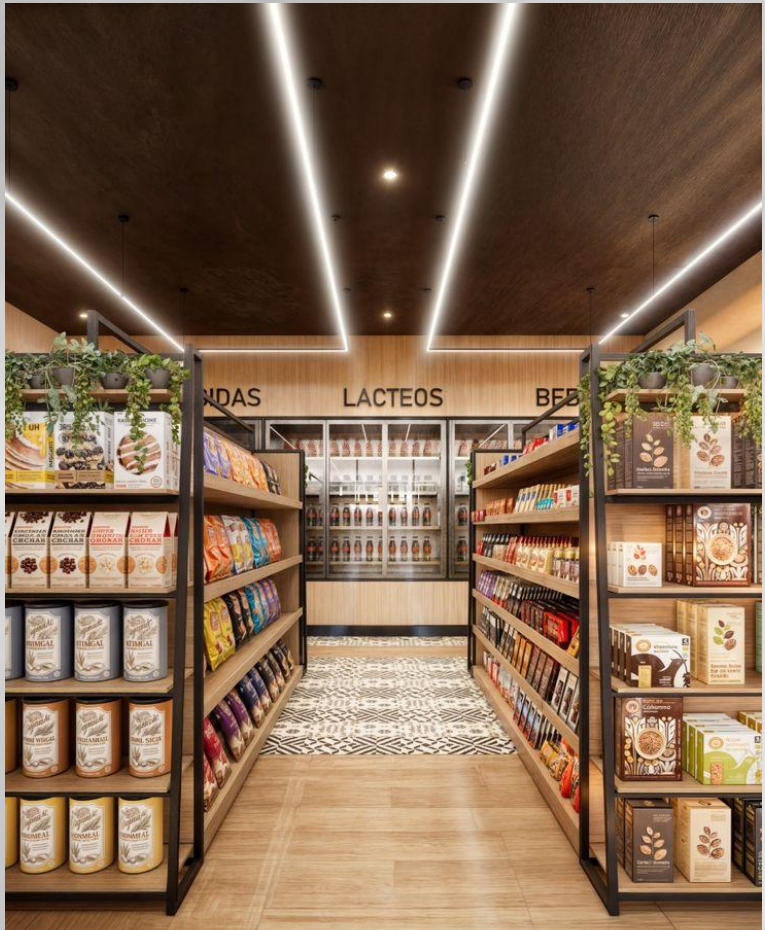

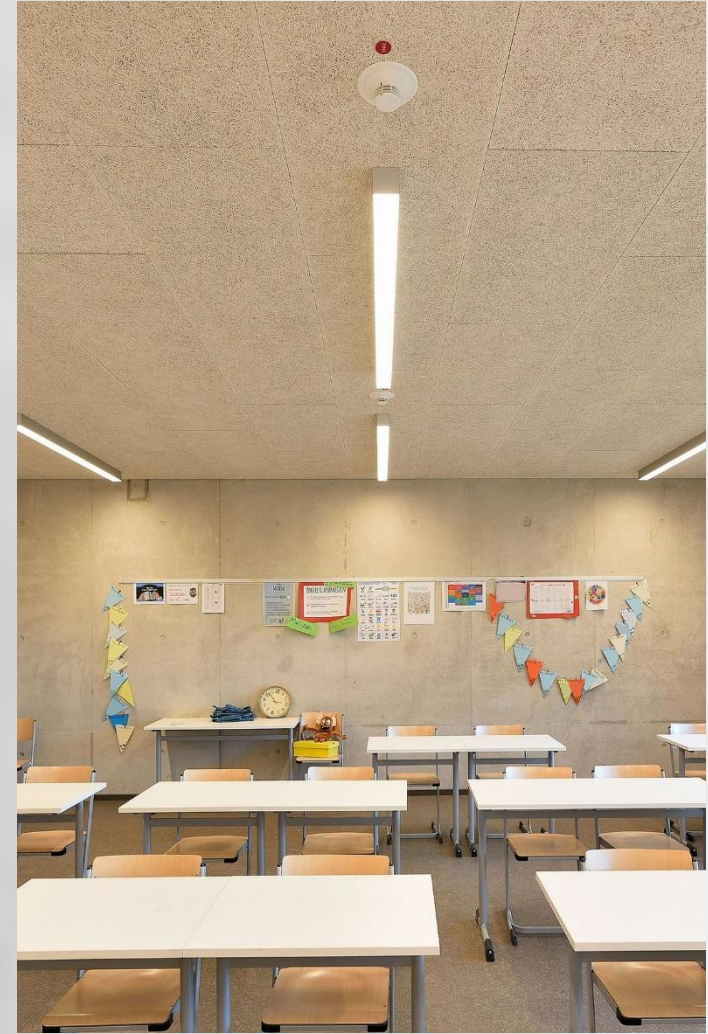

LIGHTING SOLUTIONS

Our lighting solutions include a variety of modern and architectural lighting fixtures designed to enhance both ambience and functionality. From decorative lighting to practical illumination systems, our range supports indoor, outdoor, commercial and contemporary design concepts while providing efficient and visually appealing lighting environments.

At **Elegant Trading LLC**, we collaborate with **DG Lighting** to offer a curated portfolio of high-quality lighting solutions. Our lighting products are thoughtfully designed and imported from China, complemented by the expertise and craftsmanship of our in-house workshop. From sleek contemporary designs to timeless lighting concepts, we provide a diverse range of fixtures, including bespoke solutions tailored to specific project requirements. Our lighting systems are widely supplied for hospitals, schools, supermarkets, and commercial environments, where efficiency, durability, and reliable performance are essential.
