AWK! HUG HORROR

When I was on tour, there were a few people outside the venue. I went up to one, thinking she was a fan, hugged her and said, "Hi, I love you!" She just turned around and looked really confused. Turns out she wasn't a fan at all!

SUPERSTAR JUMBLE

My sister and I were singing to some music when our fave song suddenly came on. We both screamed and jumped, accidentally bumping our heads! I fell over and then face-planted the floor. Cringe!

IMANI

DOOR DRAMA

I came home from school one day and couldn't get into my house. I thought this was odd, but kept trying to turn the key. Suddenly I heard my mum call my name... from the house next door! Whoops! I was trying to open our neighbour's front door!

KHADRA

DIVING DISASTER

I was at the pool and decided to do a diving stunt to impress my crush. It went well but as I got out of the pool, I realised my friends were laughing at me. I looked down and my bikini top was up near my head and my bottoms were halfway down my bum. My crush saw everything!

ALEX

SHOE SHAME

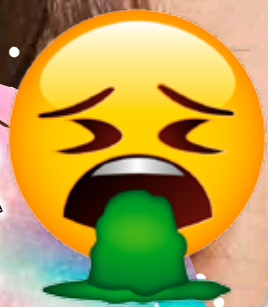

I decided to spend my birthday money on some shoes. But when I went to buy them, the salesman couldn't find a barcode. Suddenly a girl came running over and said they were actually her shoes! I've never gone so red.

CARLA

YUK! CHUNDER BLUNDER

When I was filming the dance scene in Zapped, I began feeling really sick - the strobe lights were messing with me. I looked green, super-pale. I did the last scene, then I had to run out of there. As soon as I got in the car, I was sick!

ZENAYA

URGH! SNEEZY DOES IT

I had a really bad cold so I was sneezing a lot at school. Suddenly I sneezed, but didn't manage to get my tissue out in time. There was snot all over my hands and face. It was sooo embarrassing.

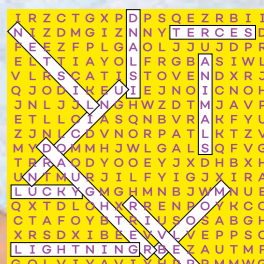

ZOE

IT'S A JOKE!

Q: What do you get if you cross a giraffe and a pig?

A: Bacon and legs!
