## SLIDE SLIP-UP!

I made the mistake of going down a slide in my best outfit. It seemed fun at the time, until I felt something squishy... EWWW! I slid over dog poop! RIP to my best outfit.

## POPPIN' OFF!

My mum and I went to the cinema but halfway through I needed the toilet, so I left her sitting there. When I came back, it was really dark and I ended up sitting in the wrong seat. I only realised when a random woman told me to stop eating her popcorn! It was an accident, I promise!

## TUMMY TROUBLE!

I was in the cinema and my stomach was growling so loudly that people turned around in their seats. I was clearly very hungry!

Me and my friends were all messing around at the park together, then all of a sudden my skirt got caught on the climbing wall and I flashed my knickers! So cringe!

## TAXI TRAUMA!

I was in a taxi with my family and my dad gave me £15. I put it in my pocket because I thought it was for me, but it was for the driver!

## TROUBLESOME TABLES!

In Year 3, we were taking a test and there was a group of us crammed onto one tiny desk. I tried to act cool and placed my arm on the edge of the table, then BOOM! My arm slipped off the table and I followed it. It was so embarrassing!

## BACKSTAGE BLUNDER!

Jessie J and I were hanging out backstage at The Voice Kids and we were playing this game where we made up silly songs - we were making all these stupid noises - then I looked up and people were sat at the back of the room watching us. I was like, OMG!

## BUMMED OUT!

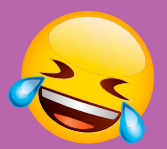

I had a presentation in front of the whole school, and I tripped and fell straight on my bottom. It was really embarrassing!

## HUMPTY DUMPTY!

I was playing with my friends and we were just sitting on a wall for a rest. All of a sudden, a bird swooped really low and frightened me and I lost my balance and fell backwards off the wall in front of everybody. Ouch!
