10 GCSE's including two As in English and a B in Maths

Royton and Crompton School

SKILLS

Shorthand (60wpm)

Adobe Creative Cloud including Premier Pro.

Adaptable

Determined

Time Management

Good Microsoft Office skills

ACTIVITIES

I was a volunteer for a children's entertainment company named Lollymania Mascots, which was based in Oldham and required dressing and performing as a character as well as a local theater group for five years before I moved to Leeds for University. I am a keen baker and have recently began running, particularly during the lockdown, as it helps maintain fitness and overall elevates the way I feel. I am also an avid writer and greatly enjoy it. I am currently writing and producing content for the University news website LeedsNow.
