Here are a few of our favorites.

#### **[Summit Racing Neck Gaiters](#)**

You don't have to head to the sunshine state to see gators anymore because our retail stores are teeming with them—Summit Racing Neck Gaiters, that is! Made with moisture-wicking polyester microfiber these classy accessories sit securely at the base of your neck, pulling up easily over your nose and mouth, for instant defense against wind-blown particles and UV-rays. The Summit Racing logo is all over these, so buy a few, stick them on your friends' faces, and look at something nicer than their ugly mugs for a change!

The hat is 17 inches in diameter with a 5 ½ inch brim.
