You may have heard about our new solution, [Foundations A-Z](#). This comprehensive solution was built on Science of Reading research to help educators transition to explicit, systematic instruction while instilling the confidence needed to teach foundational skills.

FREE TRIAL

Jordan Snyder, a first grade teacher at Collaboratory Prep Academy in Tampa, FL, participated in our pilot study and experienced:

- Increased levels of student engagement and motivation to read
- Ease in finding materials and lesson plans to fit the skills she wanted to build in her class
- Increased productivity in working with students one-on-one

Watch [this video](#) to learn more about Jordan's experience.
