## On this trip you'll...

Explore history in Lisbon aboard a **tram**. Visit Coimbra where students wear **black capes** to school like Harry Potter did. **Bicycle** through *Porto*. Kayak on the *Douro River*. See blue storytelling tiles called **azulejos** decorating a historic train station. **Hike** through hilltop vineyards in *Pinhão*. Discover the medieval town where the **first king of Portugal** was born.

# Douro Discovery: A Family River Cruise in Portugal

Cruise through 2,000 years of history in Portugal's Douro Valley where family fun and riverside adventures make every day awesome on and off the riverboat. Hike, kayak and bicycle, visit castles and dine in a palace!

## When Portugal Ruled the Seas

Experience an eye-opening seafaring adventure when you visit Lisbon's Maritime Museum. Founded by a Portuguese king in 1863 to chronicle the Age of Discoveries, here you'll see royal barges, cannonballs, firefighting machines, model ships and more, along with a 17th-century globe that is missing one continent. Find out which one when you visit!

## Life in a medieval castle

Legend has it that the first king of Portugal was born in medieval Guimarães along the Douro River. Walk along its maze of cobblestoned lanes and buildings that look like they are straight out of *Game of Thrones* to a castle that was built in the 10th century and today is regarded as a symbol of the birth of Portugal. Walk around the ramparts and peek inside the castle walls, imagining what it was like to live here back then.

## Home Sweet Home

In Portugal, little black swallows called *andorinhas* symbolize family values like home, love, fidelity and loyalty. Which is why we named our new Douro riverboat ms *Andorinha* so you'll feel right at home during your river cruise.
