

Script 1:

Customer Portal Registration

Intro:

Hi there! My name is _____ and I'm here to show you how to view your Bidi transaction details through our customer portal in 5 easy steps!

Body:

[1st Step] After your first online order at www.wholesale.bidivapor.com, you will be receiving an invitation for the customer portal on the email address you provided. You may also check your Spam folder if it's not in your inbox. If you haven't received an invitation, send an email to support@bidivapor.com for a new one.

[2nd Step] Once you've found your invitation, open it and click the link on the email. This will direct you to our customer portal registration.

[3rd Step] You can now create your password. Click confirm once you've entered your chosen password.

[4th Step] Finally, you can now access your Zoho customer portal! Don't forget - your log-in details are the same email you used to place your order.

You can now place your order, view your order status, or view your order history.

Conclusion:

If you have any questions about your Bidi transaction details or the customer portal, don't hesitate to reach us at support@bidivapor.com!
