QRx Digital Seals Its Partnership with Kaival Brands

The start-up digital marketing subsidiary envisions more brand visibility for the global distributor through targeted digital marketing campaigns. QRx Digital also aims to achieve more success in terms of sales and company growth for Kaival Brands as it also establishes its presence in the industry.

Jacksonville, Florida— QRx Digital announces its partnership with Kaival Brands Innovations Group, Inc. The collaboration aims to strengthen the position of both companies in their respective industries and increase their respective market presence to achieve growth.

QRx Digital is a new subsidiary under the brand QuikfillRx LLC—the latter being a retail solution provider to the cannabis industry within North America. After discovering the potential market in the digital marketing business, QuikfillRx, LLC CEO, Russell Quick expanded its operations to cater to digital sales and marketing needs for various companies.

“We are excited to have this partnership with Kaival Brands Innovations Group, Inc. Our combined synergies benefit both of our companies as we reach greater heights in terms of revenue and business distribution success. As its digital marketing and sales arm, some of our plans are already in motion, and we are looking forward to seeing the results after the initial phase of this partnership,” said Mr. Quick.

Kaival Brands, on the other hand, is focused on developing innovative products and growing them into dominant players in their respective industries.

Mr. Quick added, “We have already secured a top tier online retailer that has already placed and received its first order. Forecasting out via the initial order size we expect this top tier retailer to become a multi million dollar annual partner for The Bidi™ Stick. Bidi™ Vapor is a brand that is exclusively distributed by [Kaival Brands](#).”

Kaival Brands Innovations Group, Inc., is an exclusive global distributor that helps start-up brands and innovative companies gain more sales and industry channel market share. Kaival Brands Innovations Group recently made headlines after signing an exclusive distributor deal with [Bidi™ Vapor](#) for its flagship product, the Bidi™ Stick. Now that it has planted a good foundation in its global vaping industry, it is eyeing to grow the brand into a name that is recognizable worldwide. That's the area where we specialize within QRx Digital, and are excited to play a vital role in this new partnership.

Our digital marketing company takes charge of sales management and [digital marketing solutions](#) for the global distributors like Kaival Brands. QRx Digital takes charge in strategizing and positioning each brand towards its target market demographics.

For the marketing side, [QRx Digital](#) employs savvy strategies in creating and executing press relations to increase brand awareness and brand impressions for Kaival Brands within the industry. Our services include creating graphic and content materials, facilitating customer relations, resource acquisition management, and conducting in depth data and market research for our clients. We connect key industry players to ensure seamless operations in distributing its products to its target market and demographic.

Forward-Looking Statements

This press release includes statements that constitute “forward-looking statements” within the meaning of federal securities laws, which are statements other than historical facts that frequently use words such as “anticipate,” “believe,” “continue,” “could,” “estimate,” “expect,” “forecast,” “intend,” “may,” “plan,” “position,” “should,” “strategy,” “target,” “will,” and similar words. All forward-looking statements speak only as of the date of this press release. Although we believe that the plans, intentions, and expectations reflected in or suggested by the forward-looking statements are reasonable, there is no assurance that these plans, intentions, or expectations will be achieved. Therefore, actual outcomes and results could materially differ from what is expressed, implied, or forecasted in such statements.

This release contains certain forward-looking statements that are based on current plans and expectations and are subject to various risks and uncertainties. Our business may be influenced by many factors that are difficult to predict, involve uncertainties that may materially affect results, and are often beyond our control. Factors that could cause or contribute to such differences include, but are not limited to, factors detailed by us in our public filings with the Securities and Exchange Commission.

All forward-looking statements included in this press release are expressly qualified in their entirety by such cautionary statements. Except as required under the federal securities laws and the rules and regulations of the Securities and Exchange Commission, we do not have any intention or obligation to update publicly any forward-looking statements, whether as a result of new information, future events, or otherwise.
