### **INTRO:**

- Why should you sell the Bidi Stick?
- There are many reasons why the Bidi Stick leads the vaping market today.

### **SELLING POINTS:**

- First of all, the Bidi Stick comes with a long-lasting cellphone-grade high-quality battery, that can deliver approximately 500 puffs.
- It has a professional sleek design that goes well with its aluminum body.
- Your customers who are environmentally conscious will also love it because it's recyclable.
- But do you know the best reason why you should become a Bidi Stick retail partner?
- It's because you can get up to a 40%-53% gross profit margin with the Bidi Stick!
- While other vaping companies only offer 30% Gross Profit Margin, retail partners of Bidi Vapor earn a lot more with the Bidi Sticks!
