PROJECTS

The Quick Mission
PROVIDING UNITY

The Quick Mission in Cebu City, Philippines

The Quick Mission launched its very first outreach program in Barangay Apas, Cebu City, Philippines. Our team provided 250 relief packages to the PWDs affected by the pandemic in the area last August 8, 2020.

PROJECTS

Essential goods and care packages were given to the PWDs in the area with the local government units' assistance. Three kilograms of rice, canned goods, bottled water, and face mask were some of the relief packages' items.

The successful mission would not be possible without QRx Digital, QuikfillRx and Bidi™ Vapor, that sponsored the outreach mission.
