

BIDI™ VAPOR SUBMITS ONE OF THE MOST COMPREHENSIVE PMTA APPLICATIONS IN THE INDUSTRY!

Changing the Game in the Vaping Industry

With its primary goal of supporting against underage use of vape products through responsible marketing and following the regulations, Bidi Vapor has submitted our PMTA application last September 8, 2020!

Bidi™ Vapor's application runs over 285,000 pages, providing science-based evidence demonstrating that the Bidi Sticks are Appropriate for the Protection of Public Health (APPH).

Bidi Vapor submitted one of the most comprehensive PMTAs of any ENDS manufacturer, with the robust documentation standing as testament to our primary goal of deterring underage use of vapor products and illustrating our commitment to responsible marketing and regulatory compliance.
