

## Champagne That is Completely Up The Walls

A more unknown quote by champagne lover Churchill reads: "A magnum bottle is just right for two if only one of them drinks." In early June, one of the world's most prominent Champagne brands, Laurent-Perrier, launched its new rosé champagne, Cuvée Rose Brut.

To draw attention to this event, the interior designer Madeleine Asplund-Klingstedt for the champagne house has developed the colour Laurent Perrier Pink.

According to the interior designer himself, it is "A sophisticated colour that is inspired by Cuvée Rosé's deep pink colour and the drink's timeless exclusivity".

If you want to paint with champagne at home, ie with Laurent Perrier Pink, the colour code can be broken in any type of colour; wall paint, wood paint or metal paint. The colour consists of a mixture of 50% of the colour code S1030-Y70R and 50% of the colour code S2030-Y70R.

Speaking of champagne, Napoleon has said: "In victory, you deserve Champagne, in defeat you need it." As true as it is said.
