

GOING TO THE DENTIST

WHAT DOES THE DENTIST DO?

A dentist is a doctor who looks after teeth.

They make sure all your teeth are strong, healthy, and clean.

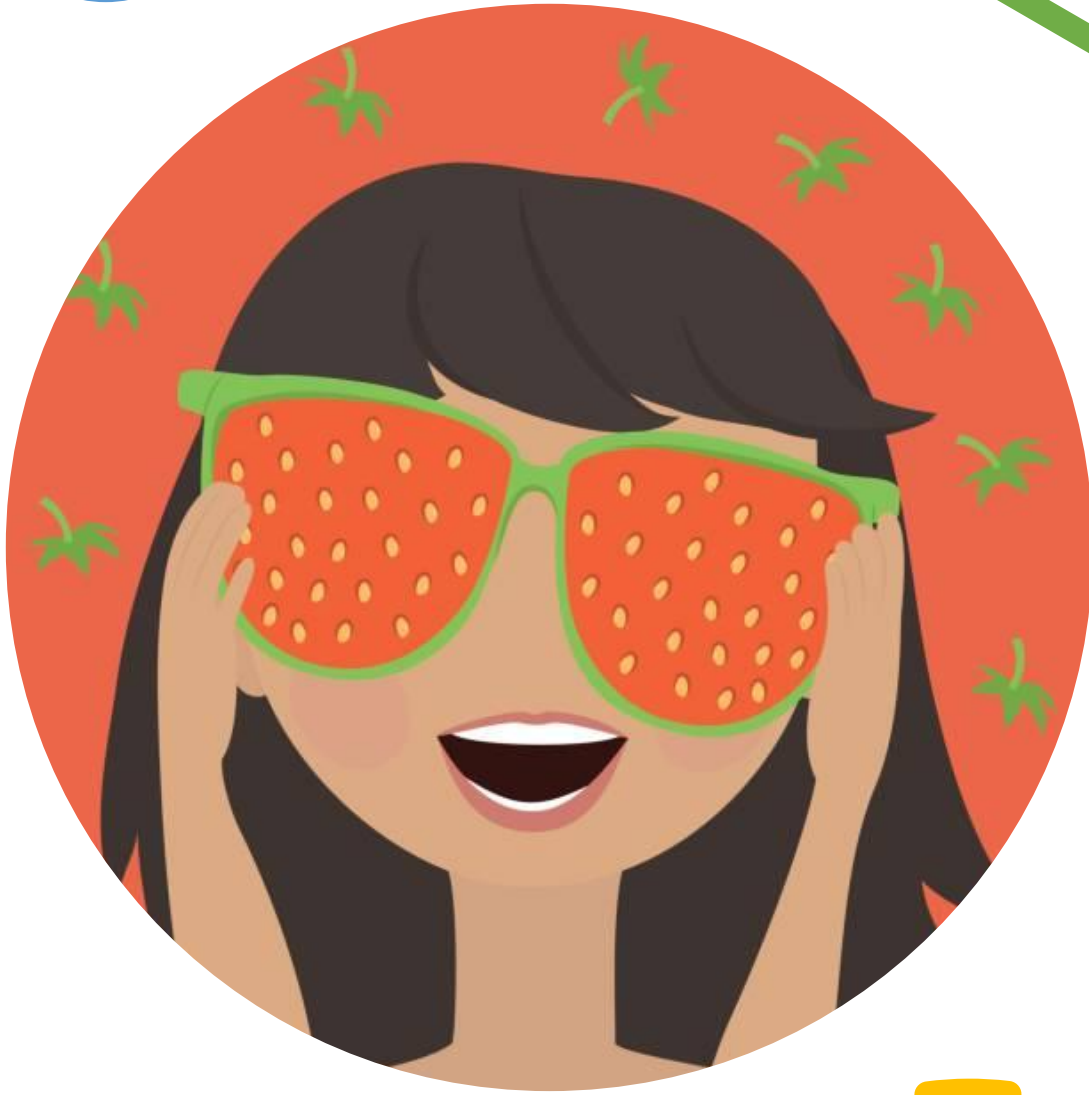

WHAT WILL HAPPEN?

When you arrive, you will be taken into the dentist's room.

You will get to sit on a special chair that can go up and down!

THEN YOU WILL GET TO PICK A PAIR ON SUNGLASSES TO PUT ON

There is a special light Dentist's use to
see all the teeth in your mouth.

THE DENTIST WILL ASK YOU TO OPEN WIDE

They will have a special mirror so they can see all your teeth, even the ones at the back!

THEY CAN SHOW YOU HOW TO LOOK AFTER YOUR TEETH

Brushing your teeth is hard.

The dentist can show you how to take
care of them and keep them strong.

YOU DID IT! AWESOME WORK!

Your check up is all done.
Remember to keep brushing and flossing
till next time.
